

Subject Department: Music

Our Mission

1. To nurture the appreciation of music.
2. To integrate music into daily life for the improvement of the quality of life.

Rationale

1. To provide exposure to music through the formal curriculum and extracurricular activities.
2. To maintain a nice atmosphere of music learning in school.

Long-term Plan

1. Students foster their whole person development through music learning.
2. Students can apply what they learnt in music lessons to their own lives.

Main Emphases in 2014-2015

1. To enhance students' learning skills through the formal music curriculum.
2. To broaden students' perspectives and exposures through participation in various kinds of music activities.
3. To develop students' positive values and attitudes through music appreciation and learning music.
