Evaluation

- *The Discipline Committee strategically implemented a series of new measures that brought about prominent improvement in school discipline. The student discipline at school assemblies and the cleanliness of school premises achieved remarkable improvement. The number of minor offences such as unauthorized use of mobile phones and untidy school uniform also greatly reduced. Among the various figures, the number of lateness dropped significantly by 60%, and there was no irregular behaviour in all second-term examinations.*
- *With the Harmonious Campus Programme and the Peer Support Programme, S1 and S2 students were more self-disciplined and able to better adapt to the school environment.*
- *The Discipline Week, iTeen Programme, Caring Campus Programme, “More Gratitude, More Forgiveness, More Happiness” Programme, Zero Tolerance of Bullying Movement, seminars and talks successfully instilled students with positive values and the overall improvement in students’ conduct was obvious. The number of students having zero late records and misbehavior records increased by 10%.*
- *A comprehensive system in election, selection, promotion and training of School Prefects was in place and School Prefects established a reputable and respectable image in school.*
- *Discipline Teachers, Class Teachers and Prefects worked collaboratively in the morning assembly to remind students of tidy appearance and wearing proper uniform. As a result, there were much fewer records of irregularities than before.*
- *The Recognizing Students’ Commendable Behaviour Programme succeeded in motivating students to pay more attention to their behavior. The improvement was significant.*

Way Forward

- *More leadership training programmes for Prefect Leaders, Prefects and especially Junior Prefects can be organized to refine their leadership skills.*
- *More emphasis will be given to proper use of telecommunication and the Internet to raise the awareness of cybercrimes and cyber-bullying.*
