高中公民與社會發展科內地考察： 珠海航空科技探索之旅

中五級全體同學在2023年4月26日參加由教育局統籌、本校公民與社會發展科、國家安全教育組及國民教育組協辦的「內地考察：珠海航空科技探索之旅」，前往珠海參觀「愛飛客航空科普研學遊基地」。愛飛客航空科普基地位於珠海金灣機場側，是全國首個中小學生航空科普基地。透過是次考察，同學能了解祖國航空發展的歷史、現況以及飛機生產製造的嚴謹過程；同學也能透過互動項目，了解中國科普教育的優勢，以及如何貫徹落實「科教興國」的教育宗旨。「科技安全」涵蓋科技人才、設施設備、科技活動、科技成果、成果應用等多個方面，是支撐國家安全的重要力量和技術基礎，同學可親身了解國家航空科技的重要性。

5A 陳詠琳同學

➤ 我認為航空業及創新科技能夠為國家提供具威懾力的軍用航空設備，為國家提供一個安穩的環境，有利於我國的發展。此外，我也透過本次考察親身觀察到粵港澳大灣區的發展，見識到國家科技發展之迅速及國家繁榮，增廣見聞。

5B 陳碧丹同學

➤ 解說員為我們深入講解中國航空科技的發展歷史，我仿佛看見了一個個鮮活又熱血的生命，竭盡所能地協助中國走向穩定，不受侵擾的道路；每一位研究人員、工作人員均拼盡全力，一步一腳印地由零開始，持續成長與進步，這不禁令我熱淚盈眶，堅定了「此生不悔入華夏，來世還做中國人」的思想。

5C 丁詩穎同學

➤ 過去我從來不會主動關注相關資訊，是次考察卻讓我了解到中國航空業及創新科技的重要。中國未來的航空發展道路依然艱難，因為全球相關科技的發展一日千里，科研人員、相關行業的從業員必須時刻裝備自己，但我相信他們定必能夠迎難而上，並共同帶領國家進步。我們也要學習他們的精神，努力與他人共同學習與成長，共同收穫成功的果實。

5D 紀嘉儀同學

➤ 親身觀察粵港澳大灣區的發展後，我認為粵港澳大灣區的交通網絡非常便利，例如港珠澳大橋，它擁有全球最長的沉管海底隧道，是每一位工程人員努力奮鬥、排除萬難的印記；同時，大橋成功縮減了粵港澳地區居民前往周邊地區的時間，大大便利了三地人民的交流和生活。

「國家安全校園壁報設計比賽」

優勝隊伍：吳寶軒隊（季軍）

主題：齊來維護生態安全 瀕危動物世代相傳

本校中三級學生於教育局舉辦的「國家安全校園壁報設計比賽」中獲得季軍，壁報設計以國家生態安全為主題，以鮮艷動人的構圖為背景，並運用二維碼把資訊融入壁報當中，令不同層面的觀賞者都便於取得有關資料。

3B 吳寶軒

我們在吳碧花老師的指導下有效率地分工合作，製作壁報：吳老師先建議背景用色與設計，同學們則各自選好一隻動物為主體，並完成繪畫工作。最後，我們花了一個多月完成壁報。透過詳盡的資料搜集，同學們能更進一步認識到許多中國瀕危動物的生活習慣和牠們處於絕種邊緣的原因，也讓我們瞭解更多國家對生態安全的重視及施行措施。例如大家常常提及的中華白海豚，原來需要經過國家對其棲息地的保護，中華白海豚的數量才能漸次回升。此次活動令我們體會團隊合作的重要性，也增加了我們對生態安全的瞭解。

臥龍盃

本校粵語辯論隊於2023年5月27日參加了「心繫家國：第四屆臥龍盃官立中學多角辯論賽 2023」。本校與筲箕灣官立中學及梁文燕紀念中學（沙田）組成聯隊，在辯論場上論證「資助中小學童，增加到內地參觀及交流機會，是培養香港中小學生的愛國情懷，提升國民身份認同的最佳做法。」

學生感言

4D 劉韶晴同學

在這次臥龍盃比賽中，除了辯技，我更能學習到團隊精神。臥龍盃特有的賽制令我們能與其他官立中學的辯員組隊，由一開始互不相識，到後來經歷一次次的會議，令我們建立了無形的默契，最終在比賽中表現出每個人的最好一面。

這次比賽讓我有機會多角度思考，到底當代香港青年如何在不同活動中獲得民族認同感。這次比賽增加了我對祖國的認識，及增添了一份民族自豪感。

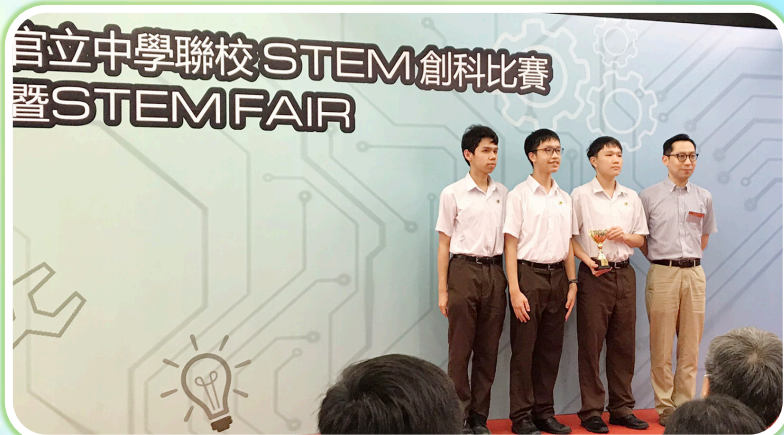

4D 蔡依晴同學

在這次臥龍盃中，我以二副身份上台比賽，發現這次比賽與別不同的地方——我需要與友校的辯員一起合作。這次比賽大大提升了我的溝通能力，讓我學會團隊精神。同時，這次體驗亦讓我見識到友校同學精湛的辯技，也增加了我對祖國的了解，使我對培養學生愛國情懷的做法有所深思。

STEM Inno“vision”

Four students (4B Lam Kwan-ho, So Hei-long, Wu Hon-yung, 4D Li Lok-yin) won a Merit prize at the Joint Government Secondary School STEM Innovation Competition organized by the Arts and Technology Centre. The competition aims at enhancing students' awareness of healthy living and encouraging them to make suggestions for improving the lives of the elderly, neighbourhood and society. Our product “Standard Vision” was designed to help users correct their bad habits when viewing computer screens. It includes a distance sensor, a light sensor and a chatbox for information enquiries. When the user is in too dim an environment or in an improper distance from the screen, the system analysis will issue a warning to remind the user to adjust to the proper position or posture. Also, users can watch videos about eye exercises to relax their eyes. The competition provides alternative learning experiences and is a powerful platform to enhance students' problem-solving abilities.

For the first time in school history, our Drama Team has joined all three language sections (Cantonese, English and Putonghua) of the Hong Kong School Drama Festival 2022/23. Our student helpers who are native or near-native speakers of English and Putonghua served as language consultants and created voice recordings to coach the cast in pronunciation. Alumni's messages

LAW Suk-man, Winnie
Year: 2006 (S.7)

"Never say never, Camelia" - a familiar slogan came to my mind when I saw the PE uniform of STGSS students at the Pat Heung JPC campsite on the early morning of 17th May. The alumni of Project LEGACY were divided into groups and worked together closely with our little brothers and sisters.

Having completed a series of challenges hand in hand for leadership training, we soon developed the bonding and trust with each other. During the team building activities in the afternoon, I was glad to see that each of them contributed their best to accomplish the mission.

I also had a long chat with some of them during lunchtime. Listening to their stories in STGSS, I recalled many good memories of my own all through those seven years at the beautiful school campus. Time is short, we needed to say goodbye at the end of the day camp. I am looking forward to our next encounter for more exchange.

WONG Hau-yi, Anita
Year: 2007 (S.7)

I was thrilled to meet our "younger brothers and sisters" in the leadership training day-camp. Through participating in a number of exciting and dynamic team-based activities, I was delighted to see all the younger leaders were inspired to respect others, maintain good self-discipline, think from multiple perspectives, and understand the importance of leadership as well as teamwork in achieving team success.

The most memorable activity was the "Code Busters" Escape Room (密室逃脱之解密刑警) where I joined a group of seven talented leaders of Form 5 and saw how they contributed their individual talents in achieving group success. I saw energy, leadership traits, versatility and uniqueness from these young talents and I wish them every success in the future. As one of the police volunteers under 'Project Legacy', an engagement initiative aiming at strengthening the bonding between police alumni and their alma maters, I am happy to re-unite with all the teachers, students and alumni and appreciate their support throughout these years.

Lee Ho-him, Malone
Year: 2007 (S.5)

Recently, I had a precious opportunity to participate in a leadership day camp with the junior brothers and sisters of my alma mater, STGSS. As an alumnus, it was a fulfilling experience to share my knowledge and to guide students towards a better future. The students were eager to learn and were fully engaged, which made it a great opportunity to inspire and motivate the next generation of leaders.

During the camp, I had the chance to connect with other alumni to mentor and assist the students who are passionate about challenges and leadership. We shared our experiences and insights with those energetic juniors. I saw their faces light up as they listened to our stories, and it gave me a sense of pride and satisfaction. It was inspiring to see the level of dedication and commitment of the participants, and hear their stories of how they are making success in their own fields.

The feeling of giving back was indescribable and priceless. I urge all alumni to take the opportunity to return to our alma mater in any way they can.

Yip Po Ki, Natalie
Year: 2008 (S.5)

The day camp was held at a beautiful venue – JPC@Pat Heung, a very popular campsite since its opening in 2017, which offered a wide range of adventure training facilities. My group had the luck to try the zipline when the weather condition was still fine. That was a great ice-breaking activity as I saw students helping each other to put on the safety gear. Later at the "Code Busters" Room Escaping game, our junior fellows showed great problem-solving skills and teamwork, as well as raising their awareness in crime prevention.

From the conversations I had with my junior fellows, I was glad to hear that many of you had some ideas in mind about the subjects you want to pursue in your university studies and even career development. I then shared my personal experience in joining Air Cadet Corps, my Major studies, overseas exchange in university and choosing my career. I hope it may shed some light on your thoughts about your studies and future career.

Overall, the day camp was an amazing experience that helped to build the bonding between us and our junior fellows. I was also grateful to have the opportunity to show my gratitude and support to my alma mater through the Project LEGACY.

LAI Tat-yik, Vincent
Year: 2009 (S.7)

2023-05-17 was a wonderful day that I could spend with the STGSS juniors at the Junior Police Call Permanent Activity Centre (JPC Centre) in Pat Heung. Time has gone by so quickly and so many good memories came to my mind when I saw the juniors in their STGSS school uniform, and especially when I got the chance to meet with my secondary school teacher Mr Choi!

During the event, I met with the leaders of the school, including the House Captain, the Head Prefect and the Committee Chairperson. We exchanged our best school memories with one another and it was a great opportunity for the STGSS juniors to keep in touch with their alma mater and see STGSS as an "inheritance" and something that had a continuing meaning for them. They demonstrated their leadership, teamwork and critical thinking capabilities throughout different tasks and achieved good results in all of them. The most impressive one was that they had broken the record of one of the 'Code Busters' game, which made me truly proud.

It is fair to conclude that the event was a great success and the STGSS juniors are especially thanked for their enormous support. I cannot wait to see you all soon in our next event!

I was glad and grateful to have a chance to participate in the leadership training camp. I felt great to explore more and to broaden my horizons, both physically and spiritually. I overcame my fear and enjoyed my very first zipline experience. The team building activities with all those student leaders at school made me realise sometimes we have to let go of the shackles we have given ourselves, listen more, be brave to express our ideas and make actual moves to turn our ideas into action.

5C Ring Huen

After the training camp, I have understood how essential team spirit is. There were various group tasks, e.g. "standing on bricks" and escape room games. "Standing on bricks" could be an easy individual task, but as it became a group task, my teammates and I needed to discuss strategies and embrace one another's opinions since it was really a hard mission. In escape room games, we were divided into groups. Being a team player with good manners was crucial because individually we couldn't deal with the problems efficiently and we complemented one another.

Core Leaders Training Camp

On May 17 we organized a Leadership Training Camp at the Junior Police Call Permanent Activity Centre and Integrated Youth Training Camp, Pat Heung. Participants were 87 young leaders selected from the Discipline Committee, ECA committee, Guidance Committee, School Publicity and Student Council. Thanks to the wholehearted support of our alumni leaders, who had designed action-and-reflection-packed programmes and shared their experience and memories at STGSS with their fellows, all of our young leaders had an eventful day, gaining valuable leadership skills which will surely help them become genuine leaders in the future.
