Purchasing services related to learning and teaching from professional organisations with relevant expertise in organising English student activities	Learning across Borders	\$18,000.00	Learning Beyond Borders — the 19th Singapore and Hong Kong Exchange Programme 2025 — is a flagship initiative jointly organized by the Singapore Ministry of Education and the Hong Kong Education Bureau, held from 23rd to 29th July. Six subsidized students participated in this enriching interflow experience, engaging in self-directed learning through meaningful interactions with their Singaporean counterparts both inside and outside the classroom. Throughout the programme, participants not only developed social and English language skills, but also broadened their horizons and deepened their appreciation for cultural diversity.
